OVERVIEW

"When people look at George, they think they see a boy. But she knows she's not a boy. She knows she's a girl. George thinks she'll have to keep this a secret forever. Then her teacher announces that their class play is going to be Charlotte's Web. George really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part . . . because she's a boy. With the help of her best friend, Kelly, George comes up with a plan. Not just so she can be Charlotte – but so everyone can know who she is, once and for all!"—provided by publisher.

OVERVIEW

"Hey folks, just a reminder that I made a huge mistake in the title of my first book, GEORGE. That is a name my MC never wants to hear again. She is fictional and it's in the narrative for a reason, but the title could have been just about anything different. I'm sorry, Melissa"--tweet from the author, @lxgino, December 2, 2018., Knowing herself to be a girl despite her outwardly male appearance, Melissa is denied a female role in the class play before teaming up with a friend to reveal her true self.

OVERVIEW

Dans ce roman, George, 9 ans, est inquiète à l'idée d'être surprise par sa mère ou son frère Scott lorsqu'elle est en train de lire des magazines féminins. C'est que tous deux ne savent pas qu'elle est une fille et George n'a aucune idée comment s'y prendre pour révéler sa véritable identité au grand jour. L'occasion se présente néanmoins quand la maîtresse annonce à sa classe que tous les élèves participeront à une représentation théâtrale du ##Petit monde de Charlotte##. Très émue par le discours tenu par l'araignée dans le texte lu en classe, George décide d'auditionner pour le rôle de Charlotte pour que sa mère et son entourage la voient enfin telle qu'elle est réellement. Malheureusement, comme elle est considérée comme un garçon par tout le monde, ce ne sont pas tous ses camarades qui voient son désir de jouer le rôle d'un bon oeil, Jeff et Rick se moquant ouvertement d'elle, alors que même la maîtresse l'incite à auditionner plutôt pour le rôle de Wilbur, le cochon. Heureusement, sa meilleure copine Kelly comprend l'importance de ce rôle pour son amie et tâchera de l'aider à s'accepter telle qu'elle est. [SDM], Le lecteur est surpris d'entrée de jeu lorsque la narration emploie des pronoms féminins pour décrire les actions de George, ce qui permet néanmoins de comprendre sa véritable nature dès les premières pages. Alex Gino, auteur transgenre, dépeint ainsi avec une justesse poignante les introspections de cet enfant incompris, qui déteste se retrouver dans les toilettes des garçons tout en paniquant à l'idée de devenir un homme. Les paroles bienveillantes de son entourage, qui ne connaît pas encore son terrible secret, apparaissent ainsi comme des coups de poignard, même lorsque sa mère lui déclare pour le rassurer: "Tu seras toujours mon petit garçon, et ça ne changera jamais. Même quand tu seras vieux, je t'aimerai toujours comme mon fils" (p.49). Or, une fois que George passe aux aveux, les premières réactions sont loin d'être rassurantes: sa meilleure amie ne lui parle pas pendant une semaine, sa mère lui interdit de porter ses vêtements et lui confisque ses magazines et son frère lui demande s'il est "homo". Néanmoins, une fois ce premier pas difficile franchi, la transformation s'amorce déjà, le roman se terminant sur une note heureuse, tandis que Kelly et George - devenue Melissa - visitent le zoo habillées en filles. Malgré le tact utilisé par l'auteur pour aborder ce sujet difficile, le texte semble plus approprié pour des lecteurs plus âgés que les personnages, son niveau de lecture étant un peu trop complexe pour les enfants de 9 ans. Contexte français de traduction. [SDM]

Slacker

OVERVIEW

Eleven-year-old Rick Ramsey has generally gone along with everybody, just not making waves, even though he is increasingly uncomfortable with his father's jokes about girls, and his best friend's explicit talk about sex; but now in middle school he discovers the Rainbow Spectrum club, where kids of many genders and identities can express themselves – and maybe among them he can find new friends and discover his own identity, which may just be to opt out of sex altogether.

OVERVIEW

:A comic book for kids that includes children and families of all makeups, orientations, and gender identities, Sex Is a Funny Word is an essential resource about bodies, gender, and sexuality for children ages 8 to 10 as well as their parents and caregivers. Much more than the "facts of life" or "the birds and the bees," Sex Is a Funny Word opens up conversations between young people and their caregivers in a way that allows adults to convey their values and beliefs while providing information about boundaries, safety, and joy."--Publisher.

SIMILAR TITLES

OVERVIEW

A quick, easy and important educational comic guide to using gender-neutral pronouns.,Archie, a snarky genderqueer artist, is tired of people not understanding gender-neutral pronouns. Tristan, a cisgender dude, is looking for an easy way to introduce gender-neutral pronouns to his increasingly diverse workplace. The longtime best friends team up in this short and fun comic guide that explains what pronouns are, why they matter, and how to use them. They also include what to do if you make a mistake, and some tips-and-tricks for those who identify outside of the binary to keep themselves safe in this binary-centric world.

OVERVIEW

Sixteen-year-old Starr Carter moves between two worlds: the poor neighborhood where she lives and the fancy suburban prep school she attends. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does-or does not-say could upend her community. It could also endanger her life.

OVERVIEW

Sixteen-year-old Starr Carter moves between two worlds: the poor neighborhood where she lives and the fancy suburban prep school she attends. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does-or does not-say could upend her community. It could also endanger her life.

OVERVIEW

Rose and her parents have been going to Awago Beach since she was a little girl. It's her summer getaway, her refuge. Her friend Windy is always there, too, like the little sister she never had, completing her summer family. But this summer is different. Rose's mom and dad won't stop fighting, and Rose and Windy have gotten tangled up in a tragedy-in-the-making in the small town of Awago Beach. It's a summer of secrets and heartache, and it's a good thing Rose and Windy have each other.

OVERVIEW

"When people look at George, they think they see a boy. But she knows she's not a boy. She knows she's a girl. George thinks she'll have to keep this a secret forever. Then her teacher announces that their class play is going to be Charlotte's Web. George really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part . . . because she's a boy. With the help of her best friend, Kelly, George comes up with a plan. Not just so she can be Charlotte -- but so everyone can know who she is, once and for all"--provided by publisher.

OVERVIEW

"Hey folks, just a reminder that I made a huge mistake in the title of my first book, GEORGE. That is a name my MC never wants to hear again. She is fictional and it's in the narrative for a reason, but the title could have been just about anything different. I'm sorry, Melissa"--tweet from the author, @lxgino, December 2, 2018., Knowing herself to be a girl despite her outwardly male appearance, Melissa is denied a female role in the class play before teaming up with a friend to reveal her true self.

OVERVIEW

Dans ce roman, George, 9 ans, est inquiète à l'idée d'être surprise par sa mère ou son frère Scott lorsqu'elle est en train de lire des magazines féminins. C'est que tous deux ne savent pas qu'elle est une fille et George n'a aucune idée comment s'y prendre pour révéler sa véritable identité au grand jour. L'occasion se présente néanmoins quand la maîtresse annonce à sa classe que tous les élèves participeront à une représentation théâtrale du ##Petit monde de Charlotte##. Très émue par le discours tenu par l'araignée dans le texte lu en classe, George décide d'auditionner pour le rôle de Charlotte pour que sa mère et son entourage la voient enfin telle qu'elle est réellement. Malheureusement, comme elle est considérée comme un garçon par tout le monde, ce ne sont pas tous ses camarades qui voient son désir de jouer le rôle d'un bon oeil, Jeff et Rick se moquant ouvertement d'elle, alors que même la maîtresse l'incite à auditionner plutôt pour le rôle de Wilbur, le cochon. Heureusement, sa meilleure copine Kelly comprend l'importance de ce rôle pour son amie et tâchera de l'aider à s'accepter telle qu'elle est. [SDM], Le lecteur est surpris d'entrée de jeu lorsque la narration emploie des pronoms féminins pour décrire les actions de George, ce qui permet néanmoins de comprendre sa véritable nature dès les premières pages. Alex Gino, auteur transgenre, dépeint ainsi avec une justesse poignante les introspections de cet enfant incompris, qui déteste se retrouver dans les toilettes des garçons tout en paniquant à l'idée de devenir un homme. Les paroles bienveillantes de son entourage, qui ne connaît pas encore son terrible secret, apparaissent ainsi comme des coups de poignard, même lorsque sa mère lui déclare pour le rassurer: "Tu seras toujours mon petit garçon, et ça ne changera jamais. Même quand tu seras vieux, je t'aimerai toujours comme mon fils" (p.49). Or, une fois que George passe aux aveux, les premières réactions sont loin d'être rassurantes: sa meilleure amie ne lui parle pas pendant une semaine, sa mère lui interdit de porter ses vêtements et lui confisque ses magazines et son frère lui demande s'il est "homo". Néanmoins, une fois ce premier pas difficile franchi, la transformation s'amorce déjà, le roman se terminant sur une note heureuse, tandis que Kelly et George - devenue Melissa - visitent le zoo habillées en filles. Malgré le tact utilisé par l'auteur pour aborder ce sujet difficile, le texte semble plus approprié pour des lecteurs plus âgés que les personnages, son niveau de lecture étant un peu trop complexe pour les enfants de 9 ans. Contexte français de traduction. [SDM]

OVERVIEW

Eleven-year-old Rick Ramsey has generally gone along with everybody, just not making waves, even though he is increasingly uncomfortable with his father's jokes about girls, and his best friend's explicit talk about sex; but now in middle school he discovers the Rainbow Spectrum club, where kids of many genders and identities can express themselves – and maybe among them he can find new friends and discover his own identity, which may just be to opt out of sex altogether.

SIMILAR TITLES

OVERVIEW

A quick, easy and important educational comic guide to using gender-neutral pronouns.,Archie, a snarky genderqueer artist, is tired of people not understanding gender-neutral pronouns. Tristan, a cisgender dude, is looking for an easy way to introduce gender-neutral pronouns to his increasingly diverse workplace. The longtime best friends team up in this short and fun comic guide that explains what pronouns are, why they matter, and how to use them. They also include what to do if you make a mistake, and some tips-and-tricks for those who identify outside of the binary to keep themselves safe in this binary-centric world.

OVERVIEW

Sixteen-year-old Starr Carter moves between two worlds: the poor neighborhood where she lives and the fancy suburban prep school she attends. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does-or does not-say could upend her community. It could also endanger her life.

OVERVIEW

Rose and her parents have been going to Awago Beach since she was a little girl. It's her summer getaway, her refuge. Her friend Windy is always there, too, like the little sister she never had, completing her summer family. But this summer is different. Rose's mom and dad won't stop fighting, and Rose and Windy have gotten tangled up in a tragedy-in-the-making in the small town of Awago Beach. It's a summer of secrets and heartache, and it's a good thing Rose and Windy have each other.
